**Correspondence:** New support map for redistricting, does not split Mt. Sinai

**Reports accepted by:** Jerry Brown, John Wolfe

## **Business:**

Contacted COPE to attend future civic meeting, they are short staffed, may come in December or February. Would like stats and the number of tickets given each month. There are bicycle and quad gang problems. There is a new SC Deputy Inspector, Tim Barone. Non-Emergency phone number: 631-852-COPS

Heritage Park parking lot light bulbs have been replaced, the slide in playground has been in disrepair for a long time. The parts have been delayed, they are expected in September. Residents would like to see umbrella shades. North Shore Youth Council now partner with Brookhaven Town and Suffolk County, no longer the Heritage Trust. What about fundraising for the park projects?

Recycle presentation-next civic meeting

Zoning-no updates

Mt. Sinai Meadows-have contacted Suffolk County Sewer District, they still need building permits. Question, are they able to apply to split the project, if they start building?

Representative from the Coastal Steward who protect shell and oysters need more funding, Lori Murphy from Brookhaven Town to communicate with them.

King Kullen building needs repair to siding and fence. Lori Murphy to address.

Suffolk County-Drug Prevention presentation at the Mt. Sinai High School on October 13. No updates on their computer system re-launch after a cyber attack.

Adjourn: Accepted by Mike O'Rorke
